## FOREWORD

Though time will pass and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages you relive the happy days of yesteryears for just a while, our efforts will not have been in vain.

Thus, we present this book to you; may it bring memories that will live through the years.

Co-editors

*Letha Grissom*  
*Roger J. Herrell*

We, the Senior Class of 1965, dedicate this year's Trojanaire to Mr. and Mrs. Charles Wood in order to express in a small way our gratitude and appreciation for work that they have accomplished the past few years. To you Mrs. Wood, speech and English teacher, and to you Mr. Wood, band director, and to you both, our friends, the Senior Class says thank you.

# CLASS POEM

Well, here it is, that seemingly last time,  
We've waited four long years.  
It's the time when we realize we're  
on our own.  
It's 1965.

We remember when we were Freshmen  
And when "Homecoming" came around,  
How girls were red with lipstick;  
And trousers hung somewhere in town.

Then came our prosperous Sophomore year  
When we sold our Christmas trees,  
And gained experience from upper classmen  
To pep up the faculty.

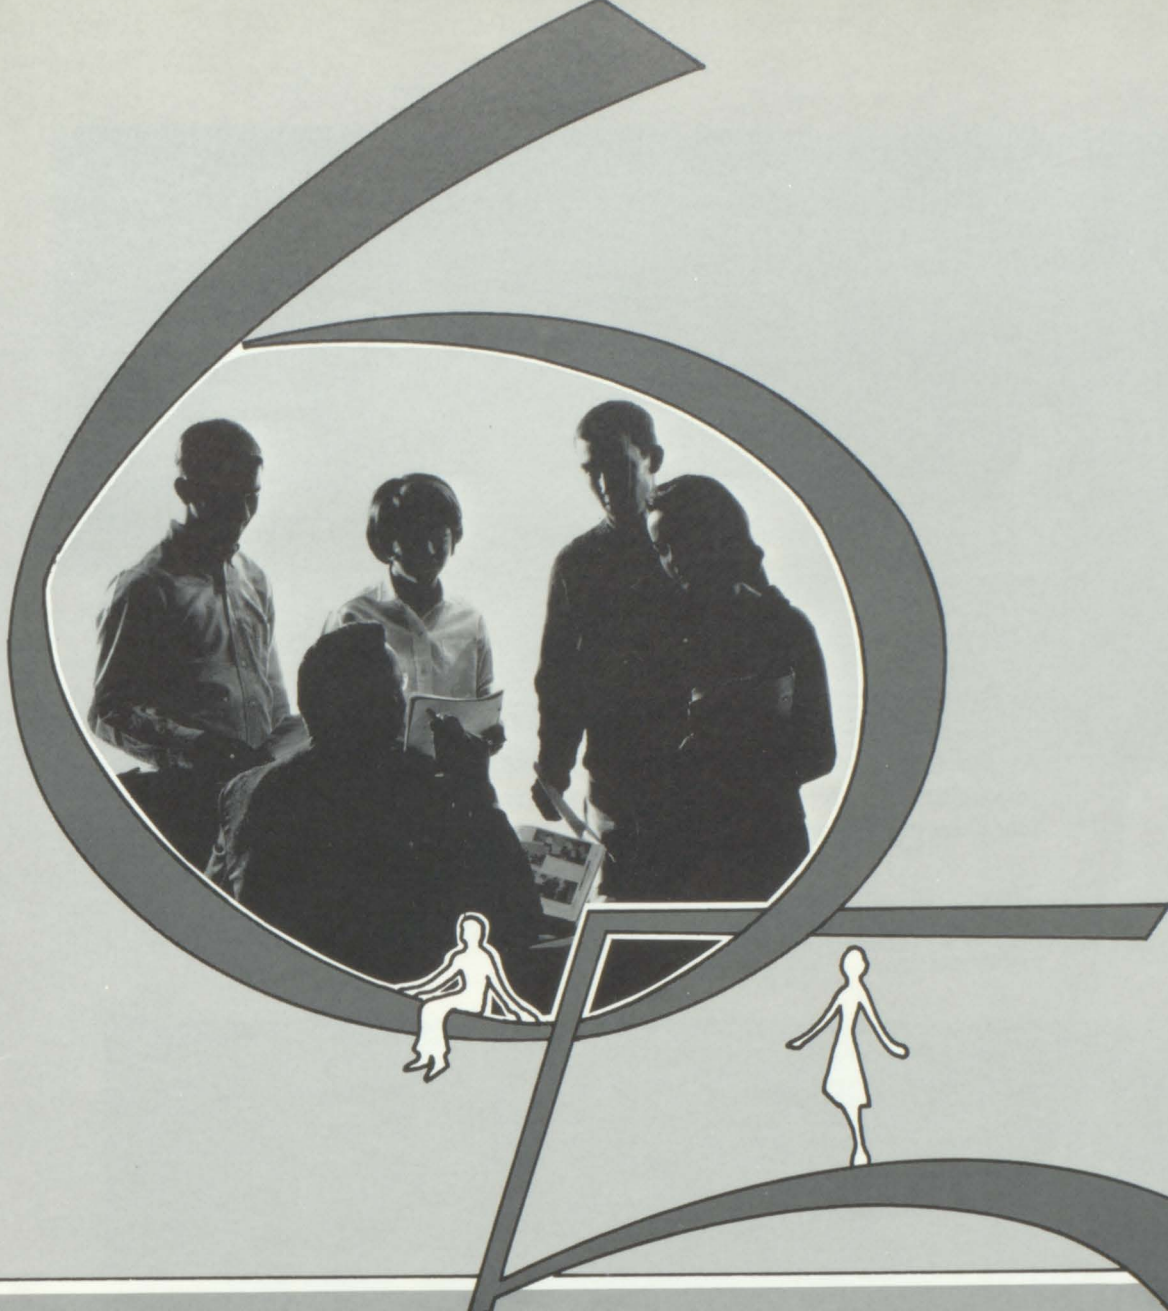

As we entered M.F. our Junior year,  
We held our heads high  
Because just another year from then  
It's "M.F.H.S., good-bye."

But now we're Seniors.  
We've spent our time.  
It's good-bye faculty, good-bye friends,  
And good-bye old M.F. High!

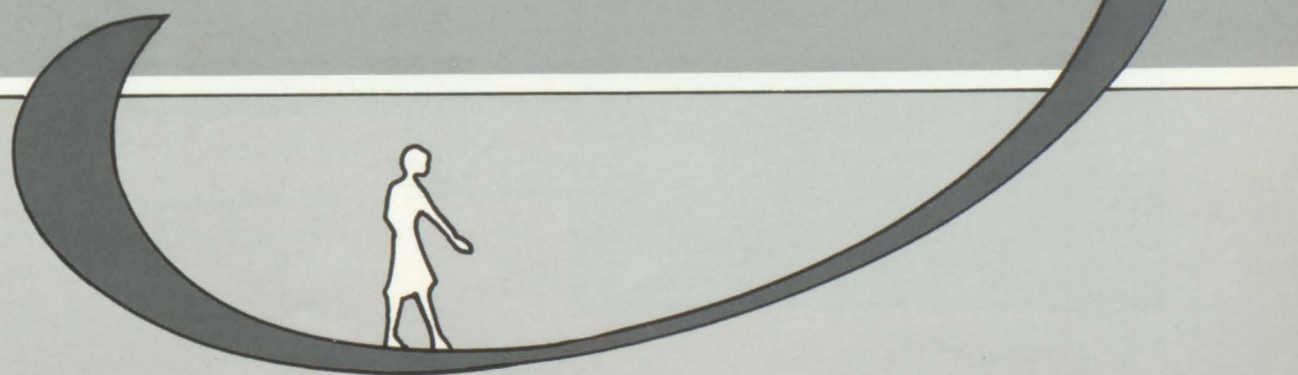

by

*Gay Stillman*

The Senior class wishes to express  
our thanks and appreciation to our  
Sponsors Mrs. Wm. Berry and Mr.  
Dennis Campbell and also to our  
parents.

# SUPERINTENDENT'S MESSAGE

Congratulations to the Class of  
1965!

I have enjoyed greatly working with you in this my first year as Superintendent. Your help and consideration have made this year most enjoyable.

As you leave Maroa-Forsyth High School you will be faced with many responsibilities. I hope the concepts and skills you have learned these last four years will help you meet these responsibilities.

There is an old Chinese proverb that says, a journey of a thousand miles starts with the first step. May your first step be on firm ground and in the right direction.

Please accept my congratulations and best wishes.

Sincerely,

*Richard L. Irvine*

"Rock'n To Victory"

# CLASS HISTORY

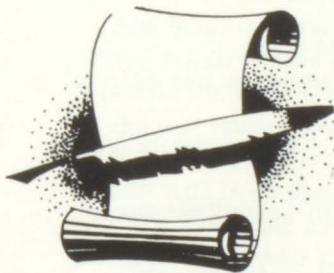

In the fall of 1961 the 72 members of our class entered the sacred halls of Maroa-Forsyth High School as lowly freshmen. As class officers we chose Bob Crouch, President; Letha Grissom, Vice-president; Norene Luallen, Secretary; and Bob Hinkle, Treasurer. Our Homecoming candidates were Carol Walters, Pam Katchmar, Sam Eubank, and Sam Etnier. During the year we lost Jo Bayne, Judy Weltmer, Patty Pritchett, and Alice Smith.

As Sophomores we started the year by electing officers as follows: President, Letha Grissom; Vice-president, Steve Johnson; Secretary, Donna Etnier; and Treasurer, Stephanie Terrell. Candidates for the Homecoming dance were Carol Walters, Tonda Murphy, Steve Morgret, and Steve Ward. We won third place with our float, "No Room for De-Feet". During the year our class lost Ed Wattles, Donna Cunningham, Janie Cook, Linda Malone, Sam Etnier, and Pam Katchmar. We gained Sue Wilson and Kathy Glasco.

In August, 1963, we entered this revered institution of learning as mighty upperclassmen. Our officers that year were President, Norene Luallen; Vice-president, Roger Sherrill; Secretary, Bonnie Blazer; Treasurer, Sandy Ray; and Reporter, Letha Grissom. We chose as our Homecoming candidates Bonnie Blazer, Donna Dial, Bob Crouch, and Steve Morgret. We won first place with our float "Expecting Victory". Our class play was a mystery-comedy entitled "Finders' Creepers". The main event of our Junior year, of course, was our Prom, the theme of which was "Date With An Angel". During the year we lost Jean Garren, Ken Paceley, Betty Reed, Dianne Osgood, and Roy Stacey. We gained Roger Sherrill and Betty Van Zandt.

We entered our last year with 59 students. As Senior Officers we chose Bob Caplinger, President; Bob Hinkle, Vice-president; Lynda Tozer, Secretary; and Steve Ward, Treasurer. Looking forward to our last Homecoming dance, we chose as candidates Lynda Tozer, Stephanie Terrell, Bob Caplinger, and John Lercher. Unfortunately, our Homecoming float, "Rockin' to Victory", failed to place. The Senior Class play, "Headin' for a Weddin'" was a great success. During our last year we gained Jack Plappert, John Lercher, and Bob Rust and lost Sandra Doss.

We would like to express our gratitude to the faculty of Maroa-Forsyth High for their great patience and perseverance in teaching us these past four years.

# CLASS PROPHECY

- MIKE BENNETT is the manager of a dance studio. He teaches all the latest dances; specializes in teaching the jerk.
- JOHN BERRY has been trying to climb the stairway to success, but Nancy just won't let go of him!
- GARY BINGAMON is the owner of a very successful chain of fruit and vegetable stands. His dreams have all come true!
- BONNIE BLAZER just started high school again. She wanted to be behind Richard for a change!
- NANCY BLAZER is following in Mrs. Berry's footsteps. That is easier than you may think. She has connections!
- BETTY BOOHER is the head of "Boo's Driving School." She hasn't lost any money yet, but the students are getting fewer and farther between.
- STEVE BRADEN is still taking chemistry under Mr. Fentem. It's not his fault though. His lab partner doesn't know anything!
- GARY BRELSFOARD is a "big movie star." He usually plays a boy of about twelve. You'd think he would be insulted, but . . .
- WILLY BROWN is quite a well-known beautician. He's still using Ruby as a "guinea pig."
- JAMES CAHILL hasn't said one word in ten years. He never was much of a talker, but this is ridiculous!
- BOB CAPLINGER is still in high school. He's trying to make up all the Mondays he missed!
- LARRY CARDER still says girls are his main hobby. Hope he's carefull-- girls aren't good for married men.
- PAT CARRIER is working as a service station attendant. She and Charlie are saving for their very own station.
- LARRY CLARK is a famous race car driver. He hasn't made it to the "Indianapolis 500" yet, but he is very well-known in Maroa.
- BOB CROUCH is teaching English at M.F.H.S. I hear Mrs. Maxwell had a lot of influence on him.
- BOB DEAN is a real "man about town." He just hasn't been able to find the right girl.
- DONNA DIAL hasn't been on time once in her life. Her motto is: If at first you don't succeed, give up!
- SANDY DOSS is still taking Home Ec. at M.F.H.S. Her motto is: Practice makes perfect.
- DONNA ETNIER is one of "Boo's" best students. However, nobody can convince Donna that cornfields don't have roads through them.
- SAM EUBANK is a marriage counselor. He knows all about it!
- KATHY GLASCO is still trying to snag a B.M. guy. At the rate she's going, she may be trying forever.
- TANYA GREESON is a band-leader. We didn't even know she liked music.
- LETHA GRISSOM and her sisters are singing professionally now. They put Maroa on the map. We're forever grateful!
- STEVE HALICKI is still the smartest guy M.F.H.S. has ever seen. They've finally let him start teaching.
- JANE HARRINGTON is trampling up and down the halls of M.F.H.S. Spare those floors, Jane!
- BOB HINKLE is trying to "joke everybody out," but we know he is the real Santa Claus.
- STEVE JOHNSON will soon take the place of Jackie Gleason on T.V. He only has to gain 250 more pounds.

SHERRY KARNs has her own radio program. It is an hour long show, and Sherry talks the entire time.

TREVOR LEACH has just been chosen Mr. America. Yes, he's put on a few pounds!

JOHN LERCHER has just been named "Romeo of the Year" for the fifth straight year.

Keep up the good work lover!

JOHN LORENZ is coaching basketball at M.F.H.S. We always knew he liked basketball--deep down inside!

NORENE LUALLEN has been happily married for several years now. She was the first to marry, after graduation.

DEWAYNE MATTHEWS is the new principal of M.F.H.S. I hear there is very little disciplinary action. How lucky can some people be!?

STEVE MORGRET is the official dog catcher in Forsyth, Illinois.

TONDA MURPHY has been named Mother of the Year for 1975. All the single girls are proud of you, Mrs. Murphy.

JACK PLAPPERT has just been given a part in a big T.V. show. "Gunsmoke" just couldn't do without Chester anymore!

SANDY POPE is the new head cashier at "Shoppers World." It's rumored that the promotion was fixed but - who knows?

LYNN ROBERTSON has finally been able to drive to Maroa all by himself!

LANA RUSH has a steady job submitting "problem letters" to Ann Landers.

CONNIE SCHROLL is a famous volleyball player. She got started in G.A.A. at M.F.H.S.

SELENE SHAW is Mrs. Jim McKee. We knew that would happen, so we're not really too surprised.

ROGER SHERRILL has written his very own dictionary. He won't let any one see it though; he wants to baffle everyone with his big words.

GAY STILLMAN manages her own girls track team. She always was pretty fast. Good luck, Stretch!

JIM STONE can stock a pop machine faster than anyone in the U. S.

STEPHANIE TERRELL has devoted her life to promoting a friendly relationship among our armed forces. However, the Air Force and the Navy are giving her trouble. Wonder why!?

GLENDa THOMAS is starring on the weekly Roller Derby.

MARIA TOOLEY is still holding on to Steve. I don't know how much longer she'll be able to. He's getting tired of waiting for her to grow up.

\*LYNDA TOZER is still arguing with Ron. That poor guy can't seem to do anything right.

SUSAN WALLACE is very successful as a nurse. She's expecially skillful at "charming" the male patients.

CAROL WALTERS has been brushing up on her poker game. Maybe she'll be able to beat Brad--eventually.

STEVE WARD is head counselor at a girls summer camp. Steve never gives up.

SHARON WEIKLE is now a foreman for Weikles Construction Co. Her dad says she is the best brick-layer he has seen.

RANDY WILLIAMS is the sharpest shooter on the Maroa police force.

ROGER WILLIAMS surprised all of us. Nobody knew he could play the piano.

SUE WILSON is the new manager of the Community Center.

JEANNIE WOODARD rides Brahma bulls in rodeos.

BETTY VANZANDT has just opened her own bakery. If her bakery is confused with VanZetti's, she should be successful.

DAVID YUNDT hasn't been too successful as a farmer. He consumes all his profit.
